Themis Bar Succes Resources

Dear 3L and 4E Students,

Congratulations on nearing graduation—you are almost there!

Earlier this year, we announced the University of Baltimore School of Law's new Institutional Partnership with Themis Bar Review (a UWorld company), widely recognized as an industry leader and our premier choice for in-school and post-graduation bar support.

As you prepare for graduation, we're following up on our announcement with more information about the Themis resources now available to you. Because this is the first year of our Institutional Partnership, you will receive immediate access to the full suite of Themis law school resources.

Resources include:

- Upper-Level Law School Essentials, designed to supplement your upper-level doctrinal courses. This program includes:
    - On-demand substantive lectures
    - Outlines
    - Key concept sheets
    - Practice essay and multiple-choice questions with corresponding answer rationales and sample answers
    - Subjects include: Constitutional Law, Corporations, Criminal Procedure, Evidence, Trusts and Estates
    - MPRE preparation materials, if you have not yet sat for the exam
    - Early Bar Preparation, including:
    - A diagnostic assessment to identify strengths and areas for improvement
    - NextGen Early Bar Prep programming, incorporating:
    - Themis substantive lectures and outlines
    - Multiple-choice questions
    - Integrated question sets
    - NextGen performance test practice
    - Skills workshops focused on bar readiness
    - Continued access to the UWorld QBank through your first bar exam
    - Exclusive, preferred pricing on post-graduation bar preparation.

Maryland adopted the NextGen bar exam beginning in July 2026, and your Early Bar Prep programming is built for it. If you plan to sit in a jurisdiction that has not yet transitioned, please let us know early so we can help you prepare accordingly.

We firmly believe Themis is the best option to ensure your success. We have negotiated an exclusive, significantly reduced rate for your post-graduation Themis Bar Review course. You will receive information shortly from Themis outlining these savings and your final discounted cost to enroll in this top-tier program.

Why we recommend Themis:

- **Proven Success:** Themis offers an exceptional curriculum designed to get you across the finish line.
- **The Pass Guarantee:** Themis stands behind its program with a generous "pass guarantee." This unparalleled commitment to your success means that, should you need to, you may repeat the course entirely free of charge for up to two years from your original exam date.

While you always have the freedom to select a different bar preparation provider entirely at your own, non-discounted expense (which will in no way impact the resources you receive from us during law school), we highly encourage you to choose Themis to maximize both your preparation quality and your financial savings.

We encourage you to take advantage of these materials early and often. They are designed to complement your coursework, reinforce classroom learning, and help you build confidence every step of the way as you steadily build the substantive knowledge and skills you'll need for the bar exam.

Of course, if anything you see in these materials appears different from what you are learning in your courses, you should discuss it with your professor, who will be happy to clarify. Some of your professors may also incorporate such materials in your courses.

Soon, you will be receiving an email directly from our institutional partner, Themis Bar Review, with your login information and what to expect for pricing. This information will arrive from noreply@uworld.com. If you do not see this come through within the week, be sure to check your SPAM folder.

For additional information on the Institutional Partnership, please see our FAQ.

Congratulations on reaching this important milestone. We look forward to supporting you.

Sincerely,
Office of Academic Affairs
University of Baltimore School of Law
