1. To view your University of Baltimore eBill, log into your MyUB Student Portal. Once logged in, navigate to My Self Service and click on My Student Center.

2. To view your eBill, click the link under My Account.
3. If this is your first time logging in, you’ll see a Terms and Conditions page. Please read and accept if you want to view your eBill. You will not be able to view the bill without completing this step. Click next to move on.

4. Next, review your personal identifying information. If you need to make any changes, follow the instructions on the page. Click next to complete the setup.
5. Home Screen: This will show the most recent eBill. When you click on the hyperlink text, it will open the eBill in a new window. Please be sure your pop-up blocker allows for pop-ups from this site.
6. You can make payments to your student account from your Home Screen. Click Pay Now and it will show all the payment options we accept: ACH, savings account and credit card payments.
7. The My Profile tab allows users to review their Other Payer Access, My Profile Primary Payer identifying information and view any Bank Account Profiles saved.
8. Inviting another payer will allow that person to view eBills and make payments on your student account. They will be sent an email with instructions on how to enroll.
