**DESCRIBE THE REQUESTED COURSE/PROGRAM ACTION** (additional pages may be attached if necessary):

We propose requiring Advanced Expository Writing (WRIT 300) as a prerequisite for Management and Organizational Behavior (MGMT 301) effective Fall 2013.

Course description: WRIT 300 Advanced Expository Writing (3). This course helps students expand their skills in writing effective prose for a variety of audiences, including academic, professional and personal. The course, which emphasizes discipline-specific writing projects, builds on skills previously acquired in lower-level writing courses. It is designed to help students develop additional writing skills needed for success in college and their respective majors. Prerequisites: successful completion of WRIT 101 or equivalent and either qualifying score or placement test or successful completion of WRIT 200.

**SET FORTH THE RATIONALE FOR THIS PROPOSAL:**

Most courses in the Bachelor of Science in Business Administration (BSBA) program require writing term papers and business reports, conducting research, and analyzing business cases. MGMT 301 is one of the first courses students take in their BSBA program at the Merrick School. Requiring WRIT 300 as a prerequisite to MGMT 301 will enable students in the BSBA program to improve their writing skills early in their business program. This will help strengthen their success in their academic program and also enhance their professional career.
