DOCUMENT O – SUMMARY PROPOSAL

College: Yale Gordon College of Liberal Arts	Department: Division of Applied Behavioral Sciences and Dean's Office	Cost Code:
Contact Person: Dr. Margaret Potthast	Phone: x5342	Effective Semester: Fall 2006

O-1: Briefly describe what is requested:
 Create a new course APPL 798 Continuous Enrollment to accommodate students who have not finished the thesis but have exhausted all credits required for the degree.

For new courses or changes in existing courses (needed by Registrar):

New Title: Continuous Enrollment	Title #:	Credits: 1 credit
Course Abbreviation:		
Old Title:	Title #:	Credits:

O-2: Set forth the rationale for the proposal:
 When students have exhausted all credits required for the degree but have not completed a thesis or final project, we need to provide a way for them to be "enrolled" at UB so they may receive services of faculty members, libraries, OTS, Records and other University offices. We need to track the students and the students need to pay for the services we are providing.

O-3 Resources Needed:
 Should require no new resources but will allow resources to be generated for services currently given.

	Personnel	Equipment	Expendables	Facility Costs	TOTAL COSTS
Start-up First Year					
Annual Thereafter					

Indicate probable source of additional funds, if needed:

Form Q

For new courses: APPL 798, CRJU 798, IDIA 798, IDIA 898, PBDS 798, PUAD 898

Q-1

We propose a new course to accommodate students who have not completed a thesis or final project, but have completed all other course requirements for the degree.

Q-2

These students have not been able to be tracked in the past as we did not require them to be enrolled. This action will permit us to track these students. It will also ease the way for these students to receive services of offices on campus which require a semester active ID card.

Q-3

All units of the University which have reason to be involved in this proposal have been contacted. These include: International Student Services, Records, Financial Aid, Auxiliary Services, Langsdale Library, and OTS.

Q-4

The best way to ensure the quality is for all those who may service such students to follow the policy exactly and without exception.

Q-5

The financial impact on the institution should be positive because we have previously not charged students to continue using our facilities and services for free.
