New prerequisite: FIN 504

For new courses or changes in existing courses (needed by Registrar)

OLD Title: Bank Management	Course # / HEGIS Code: FIN 704	Credits: 3
NEW Title: Financial Markets and Institutions	Course # / HEGIS Code: FIN 704	Credits: 3

O-2: Set forth the rationale for the proposal:

Updating and revision based on review of course and program content by the MSB finance faculty to support reinstatement of MS Business in Finance program.

The faculty has updated the Finance Program to include professional technology and financial data to allow students to make decisions in corporate, security, and real estate environments.

The MSB program, like most M.S. in finance degree, allows students to choose between a number of courses in either the corporate finance or investments areas. Specialized courses in Financial Institutions and in Real Estate Investment are offered as electives for students interested in those areas.
