SHORT DESCRIPTION OF PROPOSAL (state action item 1-23 and course name & number or program affected):		
Change course title and course credits for PUAD 899 Final Project/Organizational Analysis to Dissertation Research		
PROPOSED SEMESTER OF IMPLEMENTATION: Fall <input type="checkbox"/> Spring <input checked="" type="checkbox"/> Year: 2010		

O-1: Briefly describe what is being requested:

To change the course title of PUAD 899 from Final Project/Organizational Analysis to Dissertation Research. To change the credits on the course from 3 to variable credit 1-12.

For new courses or changes in existing courses (needed by Registrar)		
OLD Title: Final Project/Organizational Analysis	Course # / HEGIS Code: PUAD 899	Credits: 3
NEW Title: Dissertation Research	Course # / HEGIS Code: PUAD 899	Credits: 1-12

O-2: Set forth the rationale for the proposal:

The current name does not reflect the product the students have been required to produce ever since the inception of the degree program. The current name diminishes the amount of effort that goes into completing this requirement and creates great confusion when students are trying to explain to current or prospective employees what they are doing. From the inception of this degree, students have been competing dissertations. From a marketing standpoint, the title "dissertation" conveys a more serious undertaking and is thus better perceived by the public.

In changing the requirements for the degree to 12 credits required for the dissertation, we realize that some students may need or want to take more than 3 credits in any given semester. The variable credit option allows this flexibility.
