Merrick School of Business: 410.837.4944

Yale Gordon College of Arts and Sciences: 410.837.5351

The University is committed to academic excellence and student success; therefore, a professional staff of academic advisers is available in the College of Public Affairs, the Merrick School of Business and the Yale Gordon College of Arts and Sciences. Students should meet with an adviser before each registration period to ensure that they are making proper academic decisions and progressing toward their degree. For some students, an adviser's signature is required for registration. It is important that students become familiar with their adviser and take advantage of these experts' in-depth knowledge of the various academic programs and policies.

Students should make an appointment to see an adviser before withdrawing from the University, even if they expect the withdrawal to be temporary.

COLLEGE OF PUBLIC AFFAIRS ADVISING

College of Public Affairs

Tel: 410.837.5359

All new students in the College of Public Affairs must meet with the director or adviser of their degree program prior to registration for their first semester. Program directors and advisers assist students in planning their academic careers and in selecting appropriate courses to satisfy degree requirements. Students new to a degree program are required to have an adviser's permission to register for any course and to make any changes to the previously approved registration by adding or dropping a course. Other students are strongly encouraged to meet with a program adviser on a regular basis. Those continuing students who must obtain advisement and a departmental and/or dean's office signature before registering are:

- Students changing their degree program or specialization
- Probationary students
- Reinstated or readmitted students
- Nondegree students
- Students registering for an independent study or internship

- Students requesting to take more than 9 credits during a regular semester or 6 credits during a summer session (requires permission from the dean; please see the [Course Load](#) section of this catalog)
- Students requesting to take a course at another college or university

Students are responsible for reviewing carefully the requirements for their chosen degree program and for seeking clarification from a program director or adviser if necessary. Academic advisers are also available in the Office of the Dean, Liberal Arts and Policy Building, room 111, to provide information and clarification about public affairs programs, policies and procedures.

MERRICK SCHOOL OF BUSINESS ADVISING

Merrick School of Business

Tel: 410.837.4944

Academic advisement is available in the Merrick Advising Center, located in the William H. Thumel Sr. Business Center, room 142. The center offers both day and evening hours. Scheduled appointments are recommended; to make an appointment, call 410.837.4944. Advisers provide information on Merrick School of Business programs, policies and procedures. All new candidates will receive a guide to graduation containing a program guide and must meet with an adviser prior to registering for their first semester. Students in online programs who do not have access to the campus will be advised by remote means. Academic advisers assist students in selecting appropriate courses to satisfy degree requirements. Students are advised that any deviation from their program of study must be approved. Department chairs and Merrick School of Business faculty members are also available to assist students in planning their academic program and to discuss career goals.

Continuing students in good academic standing can register without an adviser's signature and are responsible for following their program guide. Continuing students who must obtain advisement and/or permission to register are:

- Students changing their program or specialization
- Students on academic probation
- Readmitted students
- Nondegree students
- Students registering for an internship, independent study or practicum course
- Students requesting to take more than 9 credits during a regular semester or 6 credits during a summer session (requires permission from the Office of the Dean; please see the [Course Load](#) section of this catalog)
- Students requesting to take a course at another college or university
- Students reinstated from suspension

Although the academic adviser will assist the student in planning a program, each student must assume responsibility for knowing curriculum requirements and seeing that these requirements are met.

YALE GORDON COLLEGE OF ARTS AND SCIENCES ADVISING

- Students requesting to take more than 9 credits during a regular semester or 6 credits during a summer session (requires permission from the dean; please see the [Course Load](#) section of this catalog)
- Students requesting to take a course at another college or university

Students are responsible for reviewing carefully the requirements for their chosen degree program and seeking clarification from a program director or adviser if necessary. Academic advisers also are available in the Office of Advising, H. Mebane Turner Learning Commons, room 103, to provide information and clarification about the college's programs, policies and procedures.

SCHEDULE OF CLASSES

The schedule of classes, posted in MyUB and as a PDF online at www.ubalt.edu/records prior to registration each semester, is the official record of the class offerings for the semester. It reflects current academic information necessary for students, faculty and staff to plan for the semester. The schedule of classes, along with registration dates and the academic calendar, can be found on the University's website.

Students should be aware that the University does not cancel any student's registration for nonpayment. Students must withdraw from class(es), and failure to do so will create a financial obligation to the University even if the student does not attend class(es). Please review the appropriate policy in the [Tuition and Fees](#) section of this catalog or at www.ubalt.edu/bursar.

REGISTRATION

Students are urged to register early for the following semester. New students who have been officially accepted by the University prior to the registration period may register after receiving the required advisement. Registration is continuous from the initial date announced in the academic calendar and registration schedule through the end of the late registration period. Schedule adjustments, such as add/drop, may also be done during this period according to the calendar established for each term.

Students who register and do not withdraw will be held responsible for tuition and fees even if they never attend class. Similarly, students who drop during the change of schedule period will be responsible for fees associated with any dropped class.

LATE REGISTRATION/ADD-DROP

Late registration and final schedule adjustments are allowed during the first two weeks of the academic term. It is important to be aware that classes are in progress and that some academic work may have been missed.

The add period will extend for the first seven days of the semester. Afterward, a student may add a course only with the permission of the dean or the dean's designee representing the college or program offering the course.

The drop period will extend for the first 14 days of the semester. A student dropping a course after the 14-day drop period and prior to the end of the withdrawal period will receive a W grade.

The official dates of the late registration period are listed in the academic calendar for each semester.

The above policy relates to a standard 14-week semester with one week of finals. Please refer to the [full academic calendar](#) for late registration/add-drop dates for shortened sessions within the semester.

CANCELLATION OF REGISTRATION

The University reserves the right to cancel any registration for which the student in question has not complied with appropriate procedures, rules and regulations, and the financial requirements of the University. Students should be aware that the University does not cancel any student's registration for nonpayment. Students must withdraw from class(es), and failure to do so will create a financial obligation to the University even if the student does not attend class(es). Please review the appropriate policy in the [Tuition and Fees](#) section of this catalog or at www.ubalt.edu/bursar.

TRANSCRIPTS

The transcript is the official record of a student's academic program and is released only upon written authorization of the student or by an authorized directive from the judicial system.

PROGRAM ADVISING AND REQUIREMENTS FOR GRADUATION

Students are advised that any deviation from the approved program of study must be certified in writing by the appropriate dean or dean's designee. Readmitted students must have their program of study reviewed by the dean or designee upon re-entering the University.

GRADES

All students whose name appears on a grade roster, regardless of the length of their attendance in the class, will receive for each course attempted one of the grades listed below. If, however, the student withdraws officially from a course during the first week of classes, the student's name will not appear on the grade roster, nor will the transcript show the course.

All grades are given solely on the basis of an instructor's judgment of a student's scholarly attainment.

Only grades earned at UB or as part of an approved consortium program will be included as part of a student's official GPA.

Allowable Grades

The following grades are used in computing the grade-point average:

<i>Grade</i>	<i>Quality Points (per credit hour)</i>
A	4.00
A-	3.67
B+	3.33
B	3.00
B-	2.67
C+	2.33
C	2.00
C-	1.67
F*	0.00
FA**	0.00
XF***	0.00

*F: failure—given when the student completes the course, including the examination, but fails to meet the requirements of the course; when the student does not complete the course requirements and fails

to officially withdraw from the course by the date designated in the semester academic calendar; when the student fails a credit-by-examination challenge course; or when the student fails a course taken at the University of Baltimore as either satisfactory/unsatisfactory or pass/fail.

**FA: failure due to absences—given if the instructor determines that the student did not attend, stops attending or has insufficient attendance to pass the course according to the standards established in the course syllabus.

***XF: failure due to academic integrity violation—only posted upon request of the University judicial officer.

The following grades are not used in computing the GPA:

<i>Grade</i>	<i>Quality Points</i>	<i>Explanation</i>
I	0	Incomplete
AU	0	Audit
PS	0	Pass
CR	0	Credit
NC	0	No Credit
CS	0	Continuing Studies
TG	0	Temporary Grade
W	0	Withdrawn
WA	0	Withdrawn Administratively
XC	0	Excluded Grade

I: incomplete—given when a student is temporarily prevented from completing required coursework by unanticipated extenuating circumstances, such as illness or major changes in the demands of a job. A petition, signed by the student, the instructor and the appropriate dean, must be filed with the instructor, who will then submit the petition to the registrar. The I grade will be changed to an F if a grade change form is not submitted by the instructor to the Office of Records and Registration according to the following schedule:

- If the grade I was earned in the fall semester, the grade change must be submitted by May 1.
- If the grade I was earned in the spring semester or summer session, the grade change must be submitted by Dec. 1.

A graduating student must remove an I grade within 60 calendar days after the last day of the student's last semester; otherwise, the student's graduation application will be withdrawn at that time and another application must be submitted for the following semester.

An incomplete grade will not be considered prior to the official withdrawal deadline of each semester. After this date, an incomplete may be granted at the discretion of the instructor and the appropriate dean's office based on an unanticipated extenuating circumstance.

AU: audit—Audit is a registration status allowing students to attend a course without receiving credit. Both graduate and undergraduate students may audit courses. Audit units do not count toward full-time status, nor do audited courses count toward the determination of continuous enrollment. Registration for audit is at the course instructor's discretion, and the instructor is not obligated to grade audit coursework or provide additional support to a student taking a course for audit. Students may change registration in a course from credit to audit or vice versa no later than the last day to drop a course without a W grade. Audit does not count as a course repeat under the course repeat policy.

PS: pass—credit for successful completion of a credit by examination challenge course and/or courses taken at the University of Baltimore as satisfactory/unsatisfactory or pass/fail; the PS is not computed in the student's grade-point average.

CR/NC: credit/no credit—awarded under credit/noncredit grade option for skill-building courses elected at the time of registration; no credit or quality points are awarded.

CS: continuing studies—given when it is known at the outset of the course that requirements for its completion will necessarily extend beyond the end of the semester; this grade is assigned at the discretion of the instructor for specifically designated courses only.

TG: temporary grade—assigned pending resolution of an academic integrity issue; only posted upon request of the University judicial officer.

W: withdrawn—an administrative symbol (not a grade) that is not computed in a student's grade-point average; the W is placed on the student's transcript if the student withdraws from a class or classes after the end of the late registration period and prior to midnight on the last date to withdraw with a W.

WA: withdrawn administratively—given when recommended by the instructor and the dean for exceptional circumstances and/or other academic violations; this grade is not initiated by the student.

XC: excluded grade—The grade assigned for previous academic work does not apply to the specific program in which a student is enrolled.

GRADE CHANGES

All graduate semester and summer grades become final 60 calendar days after the last day of that semester. Students should review the [policy on incomplete \(I\) grades](#) under the preceding section on grades. Grade changes are not accepted after the degree is posted on a student's transcript.

ACADEMIC AND ADMINISTRATIVE APPEALS

Students desiring to appeal an academic or administrative decision should consult the UB Student Handbook, found at www.ubalt.edu/studenthandbook.

SATISFACTORY AND UNSATISFACTORY PROGRESS

These policies are for determining satisfactory academic progress. Review the [Financial Assistance](#) section of this catalog to determine the standards for satisfactory progress for eligibility for receiving or continuing to receive financial assistance.

To be approved for graduation, a graduate student must have a cumulative GPA of at least 3.0. A student is making satisfactory academic progress toward completion of his/her program as long as a cumulative GPA of 3.0 or higher is maintained. Requirements for specific grades in certain courses within a program may also exist. Moreover, additional academic policies might exist within specific programs. Students are responsible for understanding these additional policies and discussing them with program advisers.

- A student who attempts 6 or more credits at the University of Baltimore and earns less than a 3.0 will be placed on academic probation. Notification of this action will be from the appropriate dean's office. It is the responsibility of each student to check the transcript when grades are posted at the end of each semester and to keep personal contact information current with UB. Probationary status is a warning that satisfactory progress is in jeopardy.
- A student who is placed on probation must obtain advisement from the appropriate academic adviser before attending classes the following semester or summer session, even if the student has already preregistered. At the discretion of the appropriate academic dean, a student on probation may take up to 6 credits. Students on probation may not take more than 3 credits at any given time during the summer.
- A student who has been placed on academic probation because of a deficient grade-point average will be allowed up to 6 semester hours to obtain a cumulative GPA of at least 3.0. If the student does not reach a GPA of 3.0 or higher by the time these additional credit hours are accumulated, the student will be suspended.
- A suspended student may not register for classes at the University of Baltimore for at least one semester (nor may the student attend summer sessions) until reinstated by the appropriate academic dean (see bullet immediately below). In addition, for-credit courses taken elsewhere during this time require permission and may not be applied to the academic program at UB.
- Reinstatement at the University of Baltimore is not automatic. The suspended student must request reinstatement in writing from the appropriate graduate program director and appropriate academic dean by Oct. 15 for the spring semester, by April 15 for the fall semester or by March 15 for the summer session. As a condition of reinstatement, a suspended student may be required to successfully complete certain remedial or prerequisite courses at the University of Baltimore or another institution of higher education.
- If the suspended student has been away from the University for more than two regular semesters (i.e., fall and spring semesters), the student must also apply for readmission. A suspended student must meet the requirements of the new catalog in effect upon return if he or she is readmitted.

- A student returning from suspension must receive advising and be cleared by the appropriate program director and academic dean's office before registering. The terms for reinstatement or readmission must include a specific plan for academic recovery, be approved by the adviser and the appropriate dean, and be filed in the student's official record in the Office of Records and Registration.
- A student suspended for a deficient GPA, when reinstated and/or readmitted, must achieve a grade of B (3.0) or higher in each course taken in the semester after re-entering and must fulfill the plan for academic recovery as determined by the academic program. Failure to do so will result in immediate dismissal.

WITHDRAWAL POLICIES AND PROCEDURES

Students withdraw online using the MyUB system and should always confirm the completion of their withdrawal by reviewing their schedule after submitting the withdrawal.

The responsibility for official withdrawal rests with the student. If a withdrawal is done prior to the end of the late registration and drop/add period, the course will not show on the student's transcript. After that period, all withdrawals are indicated on the transcript by a W, and the student is considered to have been enrolled for that semester. Any student may withdraw from a course prior to the completion of 60 percent of a term (e.g., through the end of the ninth week of the fall or spring semester, or through the end of the fifth week of an eight-week summer session). After the deadline for withdrawal, a student who believes that unanticipated extenuating circumstances—such as health problems or change of employment—make a withdrawal necessary should submit a written appeal with supporting documentation to the appropriate academic dean. Both the course instructor(s) and the appropriate dean must approve the request. Approval of such requests is not automatic, and some requests may not be granted. No student will be permitted to withdraw for any reason from a class during the last week of school prior to the beginning of the scheduled examination period.

Students receiving any form of financial aid, including veterans' benefits, should check with the Office of Financial Aid prior to withdrawing from any class. Withdrawal may affect the level of aid or eligibility for aid in future semesters.

The University does not cancel a student's registration for nonpayment. If a student decides not to attend, he or she must withdraw online using the MyUB portal. If a student does not make payment in full or make payment arrangements with the Office of the Bursar by the established payment due dates, that student's account will be charged a late payment fine.

MAKEUP POLICY FOR FINAL EXAMS

Makeup examinations for missed final examinations are, in general, left to the discretion of the individual faculty member.

However, University policy dictates that makeup examinations will be given for instances of final examinations missed because of documented illness or documented conflict with religious observance, and in instances of examinations missed because of University-sanctioned trips.

If a student misses a final examination for any reason not covered by the above, the question of whether or not a makeup examination is given is up to the discretion of the individual faculty member.

ATTENDANCE

Students are expected to attend classes regularly. When, in the instructor's judgment, a student has been absent or late so often that the student has lost a significant part of the instruction that will prevent the issuance of a valid grade, the instructor may submit a grade of F (failure) or FA (failure due to absences).

Instructors set their own class attendance policies and will communicate these in the course syllabus at the beginning of the term. The above policy does not remove the responsibility from the student to withdraw officially from any class that he or she ceases to attend. Failure to do so will subject the student's records to a grade of F or FA.

BEREAVEMENT POLICY

The University of Baltimore recognizes that students may experience the death of a loved one during the course of an academic term. To promote the general mental health of University of Baltimore students, this policy provides a formal process to allow grieving students the opportunity to be available for their families during times of death and grief.

This policy is not seen as a substitute for good communication between students and their faculty members around missed classes or assignments, but rather as a complement to that communication to assist students when they are grieving.

Definitions:

- A. Bereavement leave here refers to those days a student may miss classes or assignments because the student is using the Bereavement Policy.
- B. Calendar days include all days of the week, including weekends.
- C. Group work is a formal assignment in a course that involves the grieving student and at least one other student in the completion of the assignment.
- D. Missed academic work includes any assignments or tests in a course that a student would ordinarily be submitting or participating in were the student not using the Bereavement Policy.
- E. Significant relationships can include but are not limited to the following:
 - Uncle(s) or Aunt(s)
 - Cousin(s)
 - Niece(s) or nephew(s)
 - Legal in-law(s)
 - Grandparent(s)
 - Step-relation individual(s)

- Child(ren) or individual(s) for whom the mourner had legal guardianship
- Parent(s) or legal guardian(s)
- Sibling(s)
- Spouse or domestic partner

F. Travel days will be calendar days.

With appropriate notification as described in this policy, students who opt to use the Bereavement Policy will be permitted up to five calendar days of absence from classes and/or examinations to mourn the loss of an individual with whom they have a significant relationship.

With appropriate notification and permission as described in this policy, a student who has opted to use the Bereavement Policy may have up to two more calendar days excused from class or examination for travel related to the bereavement process. Travel days may be allowed for such trips as going to the home of the deceased, the family home of the student grieving and/or the location of the funeral/services. Students opting to use the Bereavement Policy can appeal to the professor and/or Office of Community Life and dean of students if more travel days are needed. These requests will be handled on a case-by-case basis.

Unexcused absences already prescribed in a course syllabus should not be used in congruence with the Bereavement Policy.

The student who is mourning should be given a reasonable amount of days to make up any missed academic work.

The assignments a student missed while on bereavement leave should not be subject to deduction in scoring, as long as they are completed in a reasonable extended period of allotted time. The student is responsible for working with the professor to make up these assignments.

Students who opt to use this policy must be in communication with their professor(s) about their missed assignments by the time they return to campus from bereavement leave.

Notification

A student opting to use the Bereavement Policy must immediately notify via email the dean of students and his or her current course instructors if he or she will be taking bereavement leave. Notification must be made at the beginning of the mourning period (that is, within the first 24 hours, which counts as the first calendar day of the bereavement period).

If the student is engaged in class group work or is on any class team, she/he must also notify at least one member of her/his team as soon as the student knows she/he will be taking bereavement leave.

Students using the Bereavement Policy must provide proof of death for the individual(s) who is/are being mourned. Proof of the individual(s) death(s) should be submitted to the dean of students within 14 calendar days from start of the bereavement leave. Failure to provide documentation will result in the absences being considered unexcused.

Documentation of the death or funeral service attended should suffice as evidence of the death. Documentation can include but is not limited to:

- An obituary
- A copy of death certificate
- Program from funeral/services
- Signed letter of funeral service from the funeral home

If there are any disputes between faculty members and students when using this policy, the dean of students will be responsible for providing adjudication on the matter.

The University of Baltimore's Counseling Center is available to assist students and provide counseling services if so desired by the student.

CHANGE OF GRADUATE PROGRAM

Graduate students in good academic standing (see the [Satisfactory and Unsatisfactory Progress section](#) of this catalog) may elect to change administratively from the current degree program to another degree program, with certain exceptions. Students may not change administratively into the following degree programs but must apply for admission to them: M.S. in applied psychology, M.F.A. in integrated design, M.F.A. in creative writing and publishing arts, D.S. in information and interaction design, D.P.A., and all graduate business programs, as well as programs offered by the School of Law. Students may seek an administrative change from one Merrick School of Business master's program to another Merrick School of Business master's program without having to apply for readmission.

Students seeking an administrative change from one program to another must complete a change of program/specialization form available in the Office of Records and Registration. The student presents that form to the director of the intended new program. This program director in the Yale Gordon College of Arts and Sciences or the College of Public Affairs, or the graduate program adviser in the Merrick School of Business will review the student's qualifications and, when able to approve the change, sign that form, which must also be signed by the dean of the Yale Gordon College of Arts and Sciences or College of Public Affairs, or the graduate program adviser in the Merrick School of Business. To make a decision, the director or adviser of the new program may also require submission of any materials that are currently required for admission to that program and which are not already in the student's official file.

The program director or adviser may accept into the new program a maximum of 12 credits in which the student has earned a B (3.0) or better grade. For the M.F.A. in integrated design, the program director or adviser may accept a maximum of 24 credits only if transferred from the University of Baltimore's M.A. in publications design program. For those credits earned at the University of Baltimore and approved for credit in the new program, the program director or adviser must decide to either accept all such credits with grades or to accept all such credits without grades on a case-by-case basis.

Note: If the student changes from one program and/or major to another, his/her graduation requirements are those that are in effect at the time he or she becomes a degree candidate in the new program or major.

REPEATED COURSES

While a student may repeat any course in which he or she has received a grade of C+, C, C- or F (not B- or higher), the student may replace only one grade. If a second attempt is made to replace a grade, the replacement grade will be calculated into the student's GPA regardless of whether it is higher or lower than the original grade. The grade for the replacement attempt will appear on the transcript within the semester in which the course is repeated.

Students who repeat courses to replace grades do so at their own risk. For example, a student repeating a C-graded course who receives an F for the second attempt will lose the points earned for the C, and the F grade will be the grade that will be computed into the GPA. Further, if the student receives a W (withdrawn) for the second attempt, the W will not replace the original grade.

If a second attempt is meant to replace a grade, a student must file a repeat course form at the time he or she registers for the second attempt. Failure to obtain the dean's approval and file the repeat course form will result in both the original and repeated grades being computed into the GPA.

If a student repeats a course for a purpose other than replacing a grade, a repeat course form does not need to be filed. In such cases, the grade achieved in the original course as well as the grade(s) earned in the retaking of the course will be calculated in the student's GPA. Students should be aware that earning C+, C, C- or F grades that are computed into the GPA may result in their placement on probation, suspension or academic dismissal. (See [Satisfactory or Unsatisfactory Progress](#) under the [Academic Policies](#) section.)

Grades of C+, C, C- and F earned at the University of Baltimore dictate that the class must be repeated at the University of Baltimore. Grades will not be changed on the basis of work taken elsewhere. The repeated course must be the original course; a substitute course will not be acceptable for a grade change.

The credit value of any repeated course will be counted one time only at the University of Baltimore to satisfy UB graduation requirements.

CONTINUOUS ENROLLMENT/LEAVE OF ABSENCE

Doctoral Students

An advanced doctoral candidate may make an administrative leave of absence request when one 3-credit course needed for continuation in the program is not available in the semester in which the student may need to enroll in the course to continue progress toward the degree. The advanced doctoral student will be covered under the continuous enrollment policy during the period of the administrative leave, as is the case with personal leave. The advanced doctoral student initiates the request, after consultation with the program director, as early as the preregistration period and no later than 30 days prior to the start of classes in the fall or spring semester. The dean may approve the administrative leave of absence request when no alternative course or independent study project may be determined. The advanced doctoral student may be granted the administrative leave only once within the seven years to earn the doctoral degree, and the administrative leave of absence does not interrupt or stop the seven years allowed between initial registration and graduation. A document granting permission will be forwarded from the dean to the Office of Records and Registration with a copy on file in the program office.

Master's Students

A master's student has seven years to complete any preparatory/foundation requirements and all degree requirements (including internships, comprehensive examinations, and/or a final project or thesis) at the University of Baltimore. Degree-seeking students are expected to register for courses each semester (excluding summer) on a continuous basis to maintain the degree requirements in effect at the time of their initial enrollment. The University recognizes, however, that a student may encounter extenuating circumstances that require a temporary interruption of studies. Under such circumstances, a student may be absent for as long as two consecutive semesters (excluding summers) without jeopardizing continuous enrollment status.

If a student feels that it is necessary to be absent for more than two consecutive semesters (excluding summer), the student must receive an approved leave of absence to maintain continuous enrollment under the degree requirements in effect at the time of initial enrollment. To be considered for a leave of absence, a student must make a request to the program director and the appropriate dean in advance of the third semester's absence. Upon reviewing the reasons for the request, the dean may grant an approved leave of absence.

If a student who is absent for more than two consecutive semesters does not obtain an approved leave of absence, the student will be required to apply for readmission and pay a reapplication fee before being permitted to re-enroll. A student who applies for readmission must fulfill the admission and degree requirements in effect at the time the student returns to the University.

There is no limit to the number of times a student may be absent from the University and still maintain continuous enrollment status. However, the semesters in which a student fails to enroll will be counted toward the seven-year limit for completing degree requirements.

If a student is absent from the University and has not maintained continuous enrollment status, the seven-year time period for completion of new degree requirements will begin when the student is readmitted to the University. A student should read closely [Catalog Under Which Students Graduate](#) in this section of the catalog for information concerning whether credit hours more than seven years old will be applied toward graduation requirements.

If the seven-year time frame allotted for the degree has been exhausted but the student has not completed the degree requirements, the student must either seek readmission or make an appeal for an extension. Any request for extension of the seven-year time must be made in writing to the program director and the dean at least 30 days prior to the expiration of the seven-year time period. Such requests must include a plan for completion of the degree requirements within a reasonable time frame that must be agreed to by both the program director and the student. Each request will be evaluated and may either be granted or denied by the dean.

GRADUATE INDIVIDUAL RESEARCH COURSE ENROLLMENT PROCEDURES

The student must meet with an instructor to have a topic and course plan approved for sponsorship. The proposed topic of study, study procedures and time schedule should be clearly delineated. Once endorsed by the instructor, the proposal is submitted to the appropriate department or division chair for approval before the beginning of the academic term. The deadline for proposal approval is the second day of classes in the term.

To successfully complete an individual research undertaking, the student must submit a “finished product” (e.g., paper, report or portfolio) to the sponsoring instructor. A copy will be forwarded to the department chair to be kept on file.

CATALOG UNDER WHICH STUDENTS GRADUATE

The requirements for graduation for a graduate student at the University of Baltimore are those that are in effect at the time the student first becomes a candidate for a graduate degree at the University, with the following conditions:

- The student must be in continuous enrollment in the same major during the academic years (every fall and spring semester) from the time of first enrollment until graduation.
- The student must not take longer than seven calendar years to complete degree requirements after enrolling as a degree candidate. Credits that are older than seven years shall normally not be applied toward the graduation requirements, except upon approval of the major department chair and academic dean.
- If, for whatever reason, including academic suspension or other deficiencies, a student is not enrolled for two consecutive semesters or longer, the student must reapply for admission and meet the requirements of the catalog in effect upon returning and being admitted as a degree candidate.
- If the student changes from one program and/or major to another, the graduation requirements are those that are in effect at the time the student becomes a degree candidate in the new program or major.
- If the student wishes to attend another institution or must stop attending the University temporarily because of an extraordinary life event, he or she may request in writing a leave of absence and permission to re-enter under original course and degree requirements; however, the student will be governed, upon his/her return, according to the academic and administrative policies and procedures listed in effect at the time of re-entry.
- If a leave of absence is granted, a letter of written permission must be signed by the dean.

APPLYING FOR GRADUATION

The student is responsible for applying for graduation, and must file an application and pay the required fee at the beginning of the semester in which the student expects to complete the degree requirements. Deadlines are established in the academic calendar and usually fall on the last date of late registration for a semester.

Students are advised to meet with their program director or adviser no later than the beginning of their last semester to make sure their course selections are correct. Each student should resolve any outstanding problems prior to midsemester, at which time copies of his or her records are submitted to the academic dean for clearance. It is the student’s responsibility to make sure that all transcripts are in,

and that any pending grade changes or incompletes are resolved and in the Office of Records and Registration prior to midsemester. Failure to do so could delay graduation for an additional semester.

Any student who does not complete degree requirements by the end of the semester for which graduation is anticipated or who is not approved for graduation must file another graduation application and pay another fee in the future semester in which graduation will occur.

COURSE LOAD

Full-Time Status

A full-time student is a degree candidate who is carrying a minimum of 9 credit hours per semester (day or evening). A student wishing to carry a credit load of more than 9 credit hours may do so with the written permission of the dean.

Part-Time Status

A part-time student is a degree candidate who is carrying fewer than 9 credit hours per semester (day or evening).

TIME LIMITATION

The student must not take longer than seven calendar years to complete a graduate program at the University of Baltimore after enrolling as a degree candidate. Credit hours accumulated in 600-/700-level courses (or their equivalent) that are older than seven years shall normally not be applied toward the graduation requirements, except upon approval of the program director and academic dean.

DISSERTATIONS

Doctoral Students

Doctoral programs require a dissertation—a significant work that contributes to the body of knowledge in a theoretical or applied sense. Specific regulations concerning necessary requirements for a dissertation should be obtained from the program's director.

Dissertation courses and the related continuous enrollment courses are graded P/F. Students are cautioned that a CS (continuing studies) grade will be given at the end of each semester for courses that are dissertation (numbered 899) or continuous enrollment (numbered 898) and for which the work is not yet complete. Students who have not completed the dissertation but who have exhausted the number of credits required for the degree are required to register for the 1-credit continuous enrollment course each semester until all work is complete. This registration entitles students to faculty assistance while completing the dissertation; use of University facilities, such as the libraries and computer labs; purchase of a parking permit; and, if applicable, maintenance of their legal student visa status in the United States. Failure to maintain continuous enrollment has serious consequences for completion of the degree because readmission is not guaranteed if a student stops attending without having been granted a leave of absence. Students should refer to the [Continuous Enrollment/Leave of Absence](#) and [Catalog Under Which Students Graduate](#) sections of this catalog for policies regarding interrupted graduate study.

Each dissertation submitted as a partial requirement for a degree must be preserved in a prescribed manner in Langsdale Library. A final grade cannot be given for the credits earned nor is the work considered complete until the dissertation has been finally approved by the faculty committee and the required materials have been submitted to Langsdale Library. The library requires two bound copies of the text of any dissertation and pays for binding those volumes; the student is required to pay for one copy of any text document for the academic program and may purchase additional copies for his or her own use. For some dissertations, electronic records in an appropriate format must also be submitted to the library and the program. Details of these required submissions may be obtained from the appropriate program director.

In addition to the submission to Langsdale Library outlined above, each doctoral dissertation submitted as a partial requirement for a degree must be submitted to ProQuest/UMI Dissertation Publishing for inclusion in its electronic database as well as the Langsdale Library. ProQuest/UMI publishes and archives dissertations and theses, sells copies on demand, and maintains the definitive bibliographic record for more than 2 million doctoral dissertations and master's theses. The student pays ProQuest/UMI directly for this listing. Further instructions for submission may be found at <http://langsdale.ubalt.edu/thesis>. Students may also wish to copyright their work.

The submissions to Langsdale Library and ProQuest/UMI are not optional; the grades for the 899 dissertation course and hence graduation are contingent upon these submissions.

THESES AND FINAL PROJECTS

Master's Students

Some master's programs may require theses or final projects; others may require comprehensive examinations. Specific regulations concerning necessary qualifications for these degree options should be obtained from the program's director.

Thesis/final project courses and the related continuous enrollment courses are graded P/F. Students are cautioned that a CS (continuing studies) grade will be given at the end of each semester for courses that are thesis (numbered 799) or continuous enrollment (numbered 798) and for which the work is not yet complete. Students who have not completed the thesis or final project but who have exhausted the number of credits required for the degree are required to register for a 1-credit continuous enrollment course each semester until all work is complete. Failure to do so can have serious consequences for completion of the degree. This registration entitles students to faculty assistance in completing the thesis; use of University facilities, such as the library and computer labs; and, if applicable, maintenance of their legal student visa status in the United States. Students should refer to the [Continuous Enrollment/Leave of Absence](#) and [Catalog Under Which Students Graduate](#) sections of this catalog for policies regarding interrupted graduate study.

Each thesis or final project submitted as a partial requirement for a degree must be preserved in a prescribed manner in Langsdale Library. A final grade cannot be given for the credits earned and the work is not considered complete until the thesis or project has been finally approved by the faculty committee and the required materials have been submitted to Langsdale Library. The library requires two bound copies of the text of any thesis or final project and pays for binding those volumes; the student is required to pay for one copy of any text document for the academic program and may

purchase additional copies for his or her own use. For some theses or final projects, CDs containing electronic records or actual creative products must also be submitted to the library and the program. Details of these required submissions may be obtained from the appropriate program director.

In addition to submitting hard copies to Langsdale Library, master's students may opt to submit an electronic copy of their thesis to Pro Quest/UMI Dissertation Publishing. For more information, visit <http://langsdale.ubalt.edu/thesis>. This submission carries a fee.

HOLIDAY CLASSES

Graduate and undergraduate classes generally meet on federal and state holidays, with the exception of Thanksgiving, Christmas, New Year's Day, Martin Luther King Jr. Day, Memorial Day, Independence Day and Labor Day. Students should consult the academic calendar for an exact holiday schedule.

INTERINSTITUTIONAL REGISTRATION

The University System of Maryland Program

It is the policy of the University System of Maryland to allow graduate students at the University of Baltimore to register for graduate courses at any other system school. Likewise, students at other system institutions may register for classes at the University of Baltimore. Prior approval by the student's academic adviser and by the registrar at the student's home and host institution is required. Courses taken at another system institution through this program are counted as part of the student's regular program at the University of Baltimore, and the student pays University of Baltimore tuition.

For full details of this policy, contact the Office of Records and Registration.

The Maryland Institute College of Art Program

The University of Baltimore participates in a student exchange program with the Maryland Institute College of Art. This program allows full-time students at the University to enroll in courses at MICA. Prior approval by the student's academic adviser and the registrar is necessary.

Courses taken through this program can be counted as part of the student's regular program at the University, and the student pays University of Baltimore tuition. For further information, see your adviser or contact the Office of Records and Registration. This program is not available during summer sessions.
