This provision does not relieve students of the obligation to complete specific academic program requirements or course prerequisites required by a receiving institution.

(7) Each public institution shall designate on or with the student transcript those courses that have met its general education requirements, as well as indicate whether the student has completed the general education program.

(8) Associate Degrees.

UNIVERSITY OF BALTIMORE POLICIES

UB Policy Guide

A variety of policies pertaining to the University and not exclusively to students can be found in the online Policy Guide at ubalt.edu/policies/.

Privacy

The University complies with the requirements of the Federal Educational Rights and Privacy Act (FERPA), 34CFR Part 99, and the Maryland Public Information Act, State Government Article 10-162.

In compliance with these acts, the University will only release without a student's signature that information that is so designated as directory information. Directory information is defined as the student's name, address, campus email, major and, if applicable, minor field of study, level (freshman, sophomore, etc.), enrollment status, participation in officially recognized activities and sports, dates of attendance, degrees and awards sought and/or received, and the most recent previous educational institution attended.

The Maryland Public Information Act requires the University to provide directories of its students upon request. Students who do not wish to have directory information released are required to submit that request by filing a Request to Withhold Directory Information form in the Office of Records and Registration prior to the start of each semester.

FERPA provides students with the opportunity to review information contained in their educational records. Offices where students' educational records are kept include the Office of Records and Registration and, in some cases as applicable, the Office of Financial Aid (including veterans' affairs), the Office of Admission, the Office of Law Admissions and the offices of the academic deans. Students who wish to review their records may do so by making an appointment with the appropriate head of the office housing that record.

For additional information about student privacy, visit ubalt.edu/ferpa.

Please note: The University of Baltimore has the right to the use and reproduction of photographs taken of students while they are enrolled, for present and future use in University publications and marketing efforts, without compensation to the student. A student who does not wish to have a photo used must submit a signed statement to the Office of Records and Registration before the first Friday of each semester.

Emergency Closing Policy

A. Consistent with USM 170.0 VI-12.00-Policy on Emergency Conditions: Cancellation of Classes and Release of Employees, the University president has the authority to cancel or otherwise modify class and work schedules because of emergency conditions that may arise because of inclement weather, fire, power failure, civil disorder or other unusual circumstances that may endanger students or employees.

B. Safety is always the No. 1 priority relative to opening or closing announcements, and UB administration endeavors to make those announcements in a timely fashion. Decisions to open or close during emergency conditions are taken seriously and made after appropriate consultations with administrative units, governmental agencies or other experts pertaining to the emergency at hand.

For example, weather in the mid-Atlantic region is unpredictable and variable across the area: Snow totals can range from 1 inch in the west to 11 inches in the south and east. The decision to close or delay during periods of inclement weather is not taken lightly; local and regional forecasts are consulted, and the condition of state roads, as reported by the Maryland Department of Transportation, the Maryland Transportation Authority, the Maryland State Police and the Baltimore City Office of Emergency Management, are evaluated prior to making a decision about modifying class and work schedules. Moreover, announcements of other area colleges and universities about their own plans are also reviewed and discussed by administrators. In addition, conditions involving the safety and availability of University parking facilities and the condition of the streets adjacent to the University are assessed. Administrators recognize that weather conditions 20 miles west of UB could be quite different than conditions at the campus. Nevertheless, the final decision rests with the University's goal of accommodating as many of its campus members as possible on a given day.

Our hope is that all of our students, faculty members and staff members will use their own best judgment about the relative safety of their commute during inclement weather and other emergencies. That is UB's primary concern. When there is a weather emergency or other crisis, faculty members will discuss with their students ways to make up for missed classes or assignments.

C. This policy applies seven days per week.

D. Decisions to cancel or otherwise modify class and work schedules because of emergency conditions will be made by the University president after consulting with the executive vice president and provost, the senior vice president for administration and finance, and the chief of police.

E. University administrators understand the importance of making every effort to decide, in a timely fashion, whether to cancel or otherwise modify class and work schedules as the result of weather or other emergency events.

F. **Official** University closing announcements can only be found at:

- the University's text messaging system
- the University's email system
- the University's webpage
- emergency notification line at 410.837.4201.

G. When the main campus of UB is closed, online classes will proceed as scheduled unless otherwise indicated by the instructor. Students are expected to communicate with their instructors if a campus closing prevents them from meeting a deadline or participating in class activities.

H. Instructors should indicate on their course syllabus any special instructions for emergencies.

I. Instructors are responsible for making up work as needed to assure the integrity of the credit hours associated with the course. A range of options are available for doing so, including using online tools such as a University learning management system.

J. Closing notifications shall also be posted to the following organizations. Campus members are reminded that announcements in the media are NOT official notifications. See “F” above for official list of notification sources. Notifications include but are not limited to:

1. Baltimore-area radio and TV stations: WBAL Radio 11 (1090 AM/ 97.9 FM), WCAO/WXYV (600 AM/103 FM), WLIF (101.9 FM), WCBM (680 AM), WMIX (106.5 FM), WQSR (102.7 FM), WFSI (107.9 FM-Annapolis), WBAL-TV (11), WJZ-TV (13), WMAR-TV (2) and WBFF-FOX TV (45)
2. Washington-area radio and TV stations WTOP (1500 AM/103.5 FM), WGMS (104.1 FM) and WTTG-FOX TV (5).

K. Essential personnel are expected to report when the University is closed due to emergencies. Be guided by the directions of your supervisors.

L. Staff and faculty members with questions about this protocol should request clarification from their immediate supervisors or the Office of Human Resources.

M. The USG facility is not included in this closing policy, as USG has its own emergency closing policy; USG follows the closing decision of the University of Maryland, College Park.

N. The University does not make announcements about individual department or program activities.

1. Departments wishing to communicate cancellation information about specific activities are encouraged to set up their own notification systems, such as recorded telephone messages or telephone trees.
2. Off-campus groups having business or events on campus should be informed by their on-campus contacts how cancellation information will be disseminated and develop their own notification system.

ACCESSIBILITY TO STUDENTS WITH DISABILITIES POLICY

It is the policy of the University of Baltimore to provide reasonable accommodations for students with disabilities. To provide academic adjustments, proper documentation is required and must be presented to the Office of Disability and Access Services. This documentation is required whether the condition is permanent or temporary (broken leg, etc.).

A student's documentation should be current and must include a diagnosis, recommendations for reasonable and appropriate accommodations, and information regarding how the disability impacts the student in an educational setting. This documentation will be reviewed by Disability and Access Services Staff staff for all students seeking accommodations. This includes undergraduate, graduate and law students. This documentation will be retained by the office and is not part of the student's permanent academic record. These records will remain in the office's suite for the duration of the student's academic career and are kept confidential. After a period of seven inactive years, the documentation will be destroyed unless the student requests that it be returned.

BEREAVEMENT POLICY

The University of Baltimore recognizes that students may experience the death of a loved one during the course of an academic term. To promote the general mental health of University of Baltimore students, this policy provides a formal process to allow grieving students the opportunity to be available for their families during times of death and grief.

This policy is not seen as a substitute for good communication between students and their faculty members around missed classes or assignments, but rather as a complement to that communication to assist students when they are grieving.

Definitions:

- a) Bereavement leave here refers to those days a student may miss classes or assignments because the student is using the Bereavement Policy.
- b) Calendar days include all days of the week, including weekends.

- c) Group work is a formal assignment in a course that involves the grieving student and at least one other student in the completion of the assignment.
- d) Missed academic work includes any assignments or tests in a course that a student would ordinarily be submitting or participating in were the student not using the Bereavement Policy.
- e) Significant relationships can include but are not limited to the following:
 - uncle(s) or aunt(s)
 - cousin(s)
 - niece(s) or nephew(s)
 - legal in-law(s)
 - grandparent(s)
 - step-relation individual(s)
 - child(ren) or individual(s) for whom the mourner had legal guardianship
 - parent(s) or legal guardian(s)
 - sibling(s)
 - spouse or domestic partner.
- f) Travel days will be calendar days.

With appropriate notification as described in this policy, students who opt to use the Bereavement Policy will be permitted up to five calendar days of absence from classes and/or examinations to mourn the loss of an individual with whom they have a significant relationship.

With appropriate notification and permission as described in this policy, a student who has opted to use the Bereavement Policy may have up to two more calendar days excused from class or examination for travel related to the bereavement process. Travel days may be allowed for such trips as going to the home of the deceased, the family home of the student grieving and/or the location of the funeral/services. Students opting to use the Bereavement Policy can appeal to the professor and/or Office of Student Support and dean of students if more travel days are needed. These requests will be handled on a case-by-case basis.

Unexcused absences already prescribed in a course syllabus should not be used in congruence with the Bereavement Policy.

The student who is mourning should be given a reasonable amount of days to make up any missed academic work.

The assignments a student missed while on bereavement leave should not be subject to deduction in scoring, as long as they are completed in a reasonable, extended period of allotted time. The student is responsible for working with the professor to make up these assignments.

Students who opt to use this policy must be in communication with their professor(s) about their missed assignments by the time they return to campus from bereavement leave.

NOTIFICATION

A student opting to use the Bereavement Policy must immediately notify via email the dean of students and his or her current course instructors if he or she will be taking bereavement leave. Notification must be made at the beginning of the mourning period (that is, within the first 24 hours, which counts as the first calendar day of the bereavement period).

If the student is engaged in class group work or on any class team, she/he must also notify at least one member of her/his team as soon as the student knows she/he will be taking bereavement leave.

Students using the Bereavement Policy must provide proof of death for the individual(s) who is/are being mourned. Proof of the individual(s) death(s) should be submitted to the dean of students within 14

calendar days from start of the bereavement leave. Failure to provide documentation will result in the absences being considered unexcused.

Documentation of the death or funeral service attended should suffice as evidence of the death. Documentation can include but is not limited to:

- an obituary
- a copy of death certificate
- program from funeral/services
- signed letter of funeral service from the funeral home.

If there are any disputes between faculty members and students when using this policy, the dean of students will be responsible for providing adjudication on the matter. The University of Baltimore's Counseling Center is available to assist students and provide counseling services if so desired by the student.

IMMUNIZATION AND HEALTH RECORD POLICY

The University of Baltimore does not have mandatory immunization requirements, nor does it require students to submit health records. However, the University strongly encourages all students and other members of the University community to work with their health care provider to be sure they are up to date on all appropriate immunizations, specifically:

- measles, mumps and rubella
- tetanus, diphtheria and pertussis
- meningococcal (meningitis).

DRUG AND ALCOHOL POLICY

As a member of the University System of Maryland, the University of Baltimore complies fully with the Maryland Drug and Alcohol Abuse Control Plan.

Except where permitted by law, the use, possession, sale, distribution and condition of being under the influence of controlled or illegal substances while on University premises is strictly prohibited.

The use of alcoholic beverages is permitted only in designated areas on campus and provided that such use is in conformity with all applicable alcoholic beverage laws and with the specific University regulations as outlined in the University's Student Handbook, found online at ubalt.edu/studenthandbook.

Violations of laws and University regulations regarding the use of controlled/illegal substances and alcohol will be subject to prosecution through both civil authorities and the campus judicial system. The range of University penalties shall include but not be limited to disciplinary reprimand, loss of privilege, probation, suspension and expulsion.

NO-SMOKING POLICY

Smoking can be hazardous to health for smokers and nonsmokers alike. It can contribute to heart attack, stroke, high blood pressure, emphysema and several forms of cancer. The University of Baltimore has taken positive steps toward providing for all employees and students a smoke-free environment in which smoking is prohibited within all University buildings. This no-smoking policy stresses compliance on the part of employees and students. While it is best to rely on common courtesy for colleagues and classmates to ensure the success of this policy, the University is prepared to enforce it with formal sanctions. Visitors who refuse to comply with this policy will be required to leave University premises.

CLERY POLICY

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires that colleges and universities publish and distribute an annual security report. This report includes campus crime statistics for the previous three years, policy statements concerning crime reporting, access to campus facilities, enforcement and arrest authority of campus police, crime prevention, and procedures to be followed in sexual assault offenses. The act also provides for timely notice to the campus of crimes considered serious and continuous threats to safety, as well as emergency response procedures. Also, the act requires the maintenance of a public crime log of all reported crimes. You may view and download this document by visiting ubalt.edu/ubpolice. You may also obtain a paper copy of the report at the UB Police Department, located in the Charles Royal Building, Room 200.

WAIVER OF TUITION FOR SENIOR CITIZENS OF THE STATE OF MARYLAND

It is the policy of the University System of Maryland to extend special privileges, where practicable, to senior citizens who are residents of the state of Maryland and are enrolled in one of its institutions. The term “senior citizen” includes any individual who is 60 or older, who is retired, whose chief income is derived from retirement benefits and who is not employed full time.

Seniors receive, on a space-available basis, waivers of tuition for not more than three undergraduate or graduate (not law) courses per semester or term. These students are afforded all services available to regularly enrolled students, as they pay all other fees. Subject to certain conditions, privileges extended to seniors from other USM institutions include waiver of tuition for undergraduate and graduate courses, use of the libraries and other privileges as determined by individual institutions.

Senior citizens at other USM institutions are afforded the following privileges at the University of Baltimore:

- the use of the libraries (subject to restrictions during examination periods)
- admission to all nonticketed public lectures and performances
- discount tickets (subject to restrictions) for events sponsored by the Center for Student Involvement
- eligibility to join, for a fee, Campus Recreation and Wellness.

CATALOG USE AND INFORMATION

This 2019-20 University of Baltimore Undergraduate Catalog outlines the University’s undergraduate programs, courses, policies and procedures that were in effect as of June 30, 2019. Subsequent changes to policies and procedures may cause certain information in this catalog to become outdated. Hence, this catalog is not to be construed by the student as a contract, except in terms of the policy titled [Catalog Under Which Students Graduate](#) (as detailed in the [Academic Policies](#) section) and in terms of the student’s compliance with all current policies and procedures of the University.

UB students are informed of changes or additions to academic and financial policies that may affect them through announcements by email or on appropriate University websites and, in some cases, through mail correspondence or separately printed posters, bulletins, notices or other communication vehicles.

The University of Baltimore reserves the right to make policy and program changes as necessary. Students are urged to review all University-produced correspondence, class schedules, mailings, posters and other literature to keep fully informed.
