# **GUIDE TO GRADUATION**

### B.S. in Criminal Justice Academic Year 2019-20

The mission of the **College of Public Affairs Advising Center** is to provide quality academic advisement that empowers students to develop and implement sound educational plans that are consistent with their personal values, goals and career plans. Our purpose is to guide students to become self-directed learners and decision-makers.

The **College of Public Affairs** is committed to providing the guidance and support you need to complete your program in a timely manner. This Guide to Graduation provides the in-depth information necessary to assist you in planning your undergraduate academic career. It contains contact information, important resources, a program checklist and a suggested four-year plan of study.

While this information will be helpful to you, you should also contact your academic adviser. Your adviser is there to assist you in planning your program plan of study and to answer your questions. All new students are required to meet with an adviser prior to registering for their first semester to receive a personalized program checklist.

UB recognizes that consistent and timely academic advising is strongly related to student success. To enhance the services we provide to our students and to increase the likeliness for success and on-time degree completion, UB implemented mandatory milestone advising for all new undergraduate students beginning in fall 2017.

Milestone advising will be anchored by three specific touch points and aligned with the personal, professional and academic goals of students at those points.

**45 Credits:** Advisers will work with students to further explore the declared major and connect students with support services, clubs and other campus groups to enhance the opportunity to be involved in the UB community.

**60 Credits:** Advisers will work with students to prepare for internships, Global Field Studies and other experiential learning opportunities. Students will also be re-introduced to the support services offered by the Career and Internship Center.

**90 Credits:** Advisers will focus on the final steps to graduation and the options for post-bachelor's degree completion. Students will learn more about the graduate degree programs at UB that fit with their goals.

Students must meet with their advisers to discuss their next steps for registration, course scheduling and other key academic topics before they register for classes. Advisers will release the milestone advising service indicator on students' accounts at the conclusion of the advising meetings.

Your academic adviser will assist you throughout your time at UB at any credit point; however, it is ultimately your responsibility to complete the degree requirements and acquaint yourself with the University's academic policies.

### 4-Year Plan for Incoming Freshmen: Criminal Justice, B.S. (based on a fall start)

Below is an example plan of study for the Criminal Justice program. This is meant to act as a guide, but need not be followed in the same order for every student. Part-time students and those students transferring in credits from another university or college will need to adjust their plan accordingly. This plan does not account for courses taken during summer sessions. Students should consult with their adviser each semester prior to registration.

Year 2  3rd Semester (Fall)  WRIT 300 (OR WRIT 200) (Upper-Level GE-aim for B+) 3 Elective  CRJU 301 3 Elective  Science with Lab (GE) 4 Technological Fluency (recommend COSC 100 OR INSS 100 GR and GE)  Social and Behavioral Science (non-CRJU) 3 INSS 100 GR and GE)  MATH 115* (*required for major) OR Elective 3 Elective OR WRIT 300 (if WRIT 200 was needed prior to WRIT 300)  Science Lecture (GE)  Year 3  Sth Semester (Fall)  CRJU 302 3 CRJU 304 (if B+ or better in WRIT 300, take CJ elective; rec: FSC CRJU 306 3 482 for intro lit)  IDIS 302 (Upper-Level GE) 3 Area Requirement  CJ Elective 3 Elective  Global Awareness GE Elective 3 Elective  Lective 490 (if summer registration not an option) 3 CRJU 485 Capstone  CRJU Elective 490 (if summer registration not an option) 3 CRJU Elective  Elective Elective 3 Elective  Elective 5 Elective  Elective 6 Elective  Elective 6 Elective  Elective 6 Elective  Elective 7 Elective  Elective 6 Elective  Elective 7 Elective  Elective 8 Elective  Elective 8 Elective  Elective 8 Elective  Elective 8 Elective	1st Semester (Fall)		2nd Semester (Spring)
