

David T. Levy, Ph.D.

University of Baltimore
Department of Finance and Economics
(410) 837-5026
Email: dlevy@ubalt.edu

Education

Ph.D., UCLA, 1981.

Major: Economics

M.A., UCLA, 1978.

Major: Economics

B.A., James Madison Residential College, Michigan State University, 1974.

Major: Political Philosophy

Professional Positions

Academic - Faculty

Professor of Economics, University of Baltimore Merrick School of Business. (1994 - Present).

Adjunct Professor, Department of Economics, University of Maryland. (1992).

Associate Professor of Economics, University of Baltimore Merrick School of Business. (1989 - 1994).

Assistant Professor, Department of Economics, Rutgers University. (1980 - 1987).

Professional

Economist, Federal Trade Commission, Bureau of Economics. (1987 - 1989).

Professional Memberships

COMNET Obesity Network, Harvard University (Present).

Awards and Honors

University of Maryland Board of Regents Research Award. (2005).

University of Baltimore Research Award. (2003).

Clinical Innovators Award. The Flight Attendant Medical Research Institute. (2002).

RESEARCH

Intellectual Contributions

Book Chapters

Stanton, K. R., Acs, Z. J., Lyles, A., Henderson, L., & Levy, D. T. (2007). A Policy Framework for Confronting Obesity. *Edward Elgar Publishers*. 221-253.

Contracts, Grants and Sponsored Research

Grants

- Levy, David T., "A Simulation of Tobacco Policy, Smoking and Lung Cancer" Sponsored by The Cancer Intervention and Surveillance Monitoring Network (CISNET), National Cancer Institute, \$802676. (2007 - 2011).
- Levy, David T., "A Model of School Nutrition Policies" Sponsored by Robert Wood Johnson Foundation, \$100000. (2007 - 2008).
- Levy, David T., "Developing a Tobacco Control Simulation Model for Albania" Sponsored by American Cancer Society, \$42000. (2007 - 2008).
- Levy, David T., "A Simulation of Tobacco Policy, Smoking and Lung Cancer" Sponsored by The Cancer Intervention and Surveillance Monitoring Network (CISNET), National Cancer Institute, \$802676. (2002 - 2007).
- Levy, David T., "Developing Tobacco Control Simulation Models for Other Nations" Sponsored by NCI Grant Through Roswell Park Institute TTURC, \$15000. (2006 - 2007).
- Levy, David T., "Developing a Tobacco Control Simulation Model for Thailand" Sponsored by ThaiHealth Foundation, \$10000. (2006 - 2007).
- Levy, David T., "Developing a Tobacco Control Simulation Models for Malaysia" Sponsored by Poison Control Center of University of Malaysia, \$20000. (2005 - 2007).
- Levy, David T., "Using the SimSmoke Model to Project Future Smoking Rates (to Write Book Chapter)" Sponsored by Legacy Foundation, \$25000. (2004 - 2006).

Levy, David T., "The Effects of Tobacco Control Policies on ETS Health Problems: The Use of Simulation Models to Predict and Understand Public Health Problems, Clinical Innovators Award" Sponsored by The Flight Attendant Medical Research Institute, \$325500. (2002 - 2005).

Levy, David T., "A Tobacco Control Policy Model for Argentina" Sponsored by The Pan American Health Organization of the World Health Organization, \$15000. (2004).

Levy, David T., "A Tobacco Control Policy Model for Viet Nam" Sponsored by The World Health Organization, \$15000. (2003).

Levy, David T., "A Tobacco Control Policy Model for China" Sponsored by World Health Organization, \$15000. (2003).

Levy, David T., Holder, H. , "A Computer Simulation Model of Tobacco Control Policy for California" Sponsored by Tobacco-Related Disease Research Program, \$280000. (2001 - 2002).

Levy, David T., "The Role of Quantity Smoked in the SimSmoke Model of Tobacco Control Policy" Sponsored by Substance Abuse Policy Research Program of Robert Wood Johnson Foundation, \$306000. (2001 - 2002).

Levy, David T., "Youth Policies and Alcohol-Related Injuries and Fatalities" Sponsored by N.I.A.A.A., National Institute of Health, \$760000. (1999 - 2002).

Levy, David T., "The Prevalence and Enforcement of Tobacco Brief Interventions" Sponsored by Robert Wood Johnson Foundation, \$98000. (1999 - 2001).

selectedElements[x]["TYPE"].xmlText

Levy, David T.(Principal), "Examining the Effect of a Ban on Menthol Cigarettes" Sponsored by American Legacy Foundation, Federal, \$30000. (2010 - 2011).
