ARTICULATION AGREEMENT

Community College of Baltimore County (hereafter referred to as CCBC), a community college in Baltimore County, Maryland, and the University of Baltimore (hereafter referred to as UB), a public state university in Baltimore, Maryland and a member of the University System of Maryland, agree to offer an articulated program leading to the award of a Bachelor of Science in Business Administration (B.S.B.A). Students will have the option of choosing any specialization within the B.S.B.A degree program.

PURPOSE OF AGREEMENT

This agreement is entered into in the interests of our students. The general purpose of this agreement is to make clear the terms of this articulation agreement. This agreement will allow for the efficient transfer of students between campuses, including transfer credit, admissions and financial aid/scholarship. It will provide opportunities for students beyond the classroom, serving as a basis for student involvement and faculty interaction. It will set expectations for administrators, faculty and staff at both institutions, and foster a working relationship between the parties. Finally, it will encourage students to continue their education for their own personal and professional development.

The program is designed for graduates of the associate degree in Business Administration at CCBC. A maximum of 63 credit hours from CCBC will be allowed towards fulfillment of the one hundred twenty (120) credit hours required for baccalaureate completion.

APPENDICIES

As part of this agreement, the following have been included.

1. Course-by-course articulations, including satisfaction of general education requirements at both CCBC and the University of Baltimore.
2. Upper division requirements, to be completed at the University of Baltimore.

These appendices can be changed on a routine basis, by mutual agreement, without the procedural process review or revision of the entire articulation agreement.
