

A QUICKER WAY TO EARN AN M.S. IN ACCOUNTING

UMBC and the University of Baltimore have developed an accelerated pathway program for YOU to earn Masters in Accounting while filling the requirement for the CPA licensure in Maryland—and to gain comprehensive technical accounting skills too.

QUICK FACTS:

- UB's affordable program is uniquely designed to prepare you for several paths in public accounting with specific a strong focus on CPA exam preparation.
- UB has seasoned accounting faculty and the majority of whom are CPAs actively engaged in the accounting profession.
- UB will accept up to 4 UMBC graduate courses in economics, information systems, engineering management and computer science towards UB Master of Accounting and Business Advisory Services degree program.
- UB is connected with all major CPA firms in Maryland. In fact, for over 15 years and counting, the University of Baltimore has had the honor of having the most alumni leading the Baltimore-area's largest accounting firms.
- UB provides excellent employment recruiting opportunities through the Merrick School of Business Chapter of Beta Alpha Psi, National Honorary Accounting Society.
- UB courses are offered in the evening and periodically online which is uniquely suited for working professionals.

UPON COMPLETION OF THIS ACCELERATED PATHWAY PROGRAM, YOU WILL HAVE THE EDUCATION TO SIT FOR THE CPA EXAM AND KNOWLEDGE NECESSARY TO LAUNCH A CAREER IN:

- Traditional public accounting fields, such as audit and tax
- Internal Audit, Forensic and Risk Advisory Services
- Valuation and Litigation Consulting
