

ABOUT THE UNIVERSITY

LEADERSHIP IN PROFESSIONAL EDUCATION

Founded in 1925 as a private, coeducational institution, The University of Baltimore affiliated with the University System of Maryland on UBalt's 50th anniversary. UBalt has a clear mission: to provide outstanding educational programs for professionally oriented students. The University's schools—the College of Public Affairs, the Merrick School of Business, the School of Law, and the Yale Gordon College of Arts and Sciences—attract students with strong career ambitions and provide them with the latest skills and techniques in their chosen fields. UBalt students graduate with a broad foundation of knowledge and are prepared to meet the rapidly changing conditions of today's work environment.

Nearly 50,000 alumni serve as testimony to the University's success in its educational endeavors. UBalt graduates are highly visible throughout the legal, industrial, corporate and civic communities, and their achievements have helped to build the University's outstanding reputation among employers.

The University of Baltimore is a leader among Maryland's many colleges and universities in the quality of its faculty and library resources. With a student-faculty ratio of 11-1 and a personalized system of student advising, UBalt programs emphasize one-on-one interaction and individual attention for both graduate and undergraduate students. Approximately 90 percent of the full-time core faculty hold terminal degrees (e.g., Ph.D., J.D., D.B.A., D.P.A., Sc.D., Ed.D.), and most full-time and adjunct faculty members are actively engaged in research and civic and professional activities related to their fields. Faculty members supplement their teaching with research, consulting and service activities in the public and private sectors, helping to further enhance the University's reputation.

UBalt's Robert L. Bogomolny Library compares favorably with those of its peer institutions in Maryland in both the breadth and quantity of its holdings. The facility also offers several special collections and provides the convenience of off-campus access to electronic resources and to interlibrary loan services with many other institutions.

STRATEGIC LOCATION

The University is situated in Baltimore's lively midtown neighborhood within the revitalized North Charles Street corridor. UBalt is surrounded by a variety of noteworthy neighbors, including the Patricia and Arthur Modell Performing Arts Center at the Lyric and the Joseph Meyerhoff Symphony Hall. Also convenient to the University are the Walters Art Museum, the Washington Monument, the France-Merrick Performing Arts Center, the Baltimore Museum of Art, several theaters, and an array of other cultural and historical attractions. Together, these cultural and educational institutions attract thousands of people to the neighborhood every week for concerts, plays, films, exhibits, lectures, seminars, social events, and civic and professional meetings.

Nearly all of the midtown neighborhood of Baltimore, including parts of The University of Baltimore campus, serves as host for Artscape, the city's annual summer festival of the visual and performing arts. The University's Gordon Plaza, a parklike setting on the corner of Mount Royal and Maryland avenues, is the center for numerous University-sponsored outdoor events and activities.

The University's urban location enhances cultural and educational opportunities, and offers students an accessible learning and experiential laboratory. Through a long-established affiliation with Baltimore's corporate, government and professional communities, UBalt brings the region into the classroom.

Leaders in both the public and private sectors serve on the advisory boards of the College of Public Affairs, the Merrick School of Business, the UBalt School of Law, and the Yale Gordon College of Arts and Sciences, advising the faculty and administration on curricular and related matters.

The Office of Disability and Access Services at The University of Baltimore works with students with various disabilities and some temporary impairments that substantially limit one or more major life activities. Office staff are available to answer questions concerning accommodations and services, and provide information about other resources on and off campus. Students who suspect they may have a disability but do not have the required documentation should contact the office for a consultation.

Recording Accommodations for Students with Disabilities

Under the American with Disabilities Act, The University of Baltimore is required to provide reasonable and appropriate accommodations for students who are determined to be eligible for them. The Office of Disability and Access Services registers students for eligibility and can help students and faculty members ensure that appropriate accommodations are provided. Accommodations support students with disabilities both permanent and temporary.

One such accommodation is the ability to record a lecture as a form of note-taking. There are software products available that can transcribe recordings, adding accuracy over traditional note takers. By law, students may only use such recordings and transcriptions for their own personal study use, and no part of that recording may be reproduced in any form or shared with others. Students sign a release acknowledging they understand this restriction. Faculty members who use Panopto or other technologies to record class discussion or student comments are to notify students by email, in the syllabus or in some other written form that they will be recorded, but the recording is for the limited purpose of providing an accommodation to a student who is entitled to it through the Americans with Disabilities Act or for the limited purpose of providing students with access to the recordings for study purposes. Course recordings are not available after courses conclude and are always protected by a UBalt login process.

Student Code of Conduct

To create a positive University environment, it is important that all community members are treated fairly, show respect and demonstrate appropriate behavior. As such, students are expected to conduct themselves in a manner consistent with University expectations, which are outlined in the Student Rights and Responsibilities Guide (located at ubalt.edu/studenthandbook). The University has established policies and procedures, including the Student Code of Conduct, that apply to all undergraduate, graduate, professional and visiting students, and to those who are not enrolled for a current term but have been a student with the University.

Alleged incidents that violate the Student Code of Conduct or other University policies will be taken seriously and addressed in accordance with the established procedures identified in the Student Code of Conduct. Students who are found to have violated these policies are subject to University sanctions. To review the University's Student Code of Conduct and other behavior policies, see ubalt.edu/studenthandbook.

Students will be held accountable for their conduct at all times, including for actions that may have occurred before or after classes began, between academic terms, during periods of suspension or dismissal, and during their entire enrollment at the University, even if actions are discovered after the student graduates. The University reserves the right to discipline students or student groups for violations of policy regardless of where the misconduct occurs, whether on or off University premises. Potential Academic Integrity Policy and Student Code of Conduct violations are referred to the Office of Student Support and adjudicated in accordance with University procedures. The Office of Student Support is responsible for the oversight and facilitation of the adjudication process.

Academic Integrity Policy

Academic honesty is essential to the University's mission of learning, scholarship and integrity. All members of our community share responsibilities for actively fostering academic honesty, actively discouraging academic dishonesty and engaging in ongoing discussion of activities that may violate the spirit of honesty. Incidents of alleged cheating, plagiarism, falsification or other acts of academic dishonesty will be taken seriously and addressed in accordance with the established procedures identified in the Academic Integrity Policy. Those who are found to have violated this policy are subject to University sanctions. To review the University's Academic Integrity Policy, see ubalt.edu/studenthandbook.
