A maximum of 20 flyers will be approved. Organizations are responsible for hanging and removing their own flyers. CSEI will make viewpoint neutral decisions as to whether to approve or deny flyers presented by outside individuals and groups. Bulletin boards in classrooms and stairwells are particularly useful for this purpose. Please note, those bulletin boards clearly marked as being for administrative, departmental or specific organization or government use **MAY NOT** be used by outside groups. CSEI Staff will conduct weekly checks of the boards and will remove anything out of date or in violation rules listed above.
