8: New Course INSS 470 Project Management BS MIS

PROPOSED SEMESTER OF IMPLEMENTATION: Fall, 2010

O-1: Briefly describe what is being requested:

- Addition of required course for BS in Management Information Systems:
  
  **INSS 470 IT Service Delivery (3)** (Prereq: INSS 370 or permission of instructor)

- Addition of approved INSS elective to the BSBA Computer Information Systems specialization:
  
  **INSS 470 IT Service Delivery (3)** (Prereq: INSS 370 or permission of instructor)

O-2: Set forth the rationale for the proposal:

The MIS faculty in conjunction with the MIS advisory board have conducted a complete curriculum review of the B.S. in MIS program. This course is one of three required courses identified as needed in the revised program.

Feedback from faculty, staff, alumni and the business community have indicated service delivery is a growing area in IT. Demand for certification by ITIL is growing in the marketplace, and this course will position students to take the entry level ITIL exam.
Include items one through 17 or 18 in your course definition using as much space as needed.
