If a change, as allowed above, causes an increase or decrease in the cost of the work which is not time-related, the University shall make an equitable adjustment in the contract price and shall modify the contract.

40.2 The Contractor must assert its right to an adjustment under this section within 30 days from the date of receipt of the written order. Any request for an adjustment must be submitted in writing to the Procurement Officer.

40.3 Failure to agree to any adjustment shall be a dispute under the Disputes section. However, nothing in this section shall excuse the Contractor from proceeding with the contract as changed.

41. CONFIDENTIALITY AGREEMENT FOR CONTRACTOR:

41.1 Contractor acknowledges and understands that in connection with this Agreement, the performance of the Services and otherwise, Contractor has had or shall have access to, has obtained or shall obtain, or has been or shall be given the University’s Confidential Information (as defined herein). For purposes of this Agreement, “Confidential Information” means all information provided by the University to Contractor, including without limitation information concerning the University’s business strategies, political and legislative affairs, students, employees, vendors, contractors, student records, customer lists, finances, properties, methods of operation, computer and telecommunications systems, and software and documentation. Confidential Information includes information in any and all formats and media, including without limitation oral, and includes the originals and any and all copies and derivatives of such information. Contractor shall use the Confidential Information only if and when required for the performance of the Services, and for no other purpose whatsoever, and only by Contractor employees engaged in that performance.

41.1 Contractor shall not, in any manner whatsoever, disclose, permit access to, or allow use of Confidential Information to any person or entity except as specifically permitted or required under this Contract.

41.2 Contractor acknowledges and understands that UBalt is required to protect certain Confidential Information from disclosure under applicable law, including but not limited to the Family Educational Rights and Privacy Act (“FERPA”), the Gramm Leach Bliley Act (“GLBA”), or the Maryland Public Information Act (“PIA”), including regulations promulgated thereunder,

as the laws and regulations may be amended from time to time (collectively the “Privacy Laws”). The Confidential Information that is protected under FERPA was provided to the Contractor as it is handling an institution service or function that would ordinarily be performed by UBalt’s employees. The Contractor agrees that it shall be obligated to protect and may only maintain and use the Confidential Information in its possession or control in accordance with the Privacy Laws to the same extent as UBalt would be obligated if the Confidential Information was in the possession or control of UBalt. The Contractor further agrees that it is subject to the requirements governing the use and redisclosure of personally identifiable information from education records as provided in FERPA.

41.3 Contractor may disclose Confidential Information as required by legal process. If Contractor is required by legal process to disclose Confidential Information, Contractor shall immediately notify the College, and before disclosing such information shall allow UBalt reasonable time to take appropriate legal action to prevent disclosure of the Confidential Information.

41.4 Contractor’s obligations with respect to Confidential Information shall survive the expiration or the termination of this Contract.

41.5 Contractor acknowledges that Contractor’s failure to comply fully with the restrictions placed upon use, disclosure and access to Confidential Information may cause the College grievous irreparable harm and injury. Therefore, any failure to comply with the requirements of this Section 8 shall be a material breach of this Agreement.

41.8 Contractor agrees and acknowledges that it is not the custodian of any Confidential Information that may be in Contractor’s possession or control. Contractor shall forward any request for disclosure of Confidential Information to: Office of Procurement University of Baltimore, 1420 N. Charles Street, Baltimore, MD 21201.

41.7 Except to the extent otherwise required by applicable professional standards, the obligations under this section do not apply to information that (a) is or becomes generally known to the public, other than as a result of disclosure by Contractor, (b) had been previously possessed by Contractor without restriction against disclosure at the time of receipt by Contractor, (c) was independently developed by Contractor without violation of this Contract, or (d) Contractor and the College agree in writing to disclose. Each party shall be deemed to have met its nondisclosure obligations under this section as long as it exercises the same level of care to protect the other’s information as it exercises to protect its own confidential information, except to the extent that applicable law or professional standards impose a higher requirement.

41.8 All Confidential Information received by Contractor shall be returned to the College or destroyed upon completion or termination of this Contract.

42. IDEMNIFICATION.

The University shall not assume any obligation to indemnify, hold harmless, or pay attorneys' fees that may arise from or in any way be associated with the performance or operation of this agreement.

43. EQUAL EMPLOYMENT OPPORTUNITY.

The Contractor warrants that the contractor shall comply with E.O. 11246, "Equal Employment Opportunity", as amended by E.O. 11375, Amending Executive Order 11246 Relating to Equal Employment Opportunity, and as supplemented by regulations at 41 CFR part 60, Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.

44. ENTIRE AGREEMENT.

This Agreement and the University's standard contract terms and conditions, which are hereby incorporated by reference (and are available on the internet at <http://www.usmd.edu/Leadership/BoardOfRegents/Bylaws/SectionVIII/VIII300.html> – see Policy and Procedures A) contain the entire agreement of the parties and supersede all prior agreements and understanding, oral or otherwise, between the parties. No modification or amendment of this Agreement shall be effective unless the same shall be in writing duly executed by all parties hereto.

45. CONFLICTING TERMS.

Any proposal for terms in addition to or different from those set forth in this contract or any attempt by the Contractor to vary any of the terms of this offer by Contractor's acceptance shall not operate as a rejection of this offer, unless such variance is in the terms of the description, quantity, price or delivery schedule, but shall be deemed a material alteration thereof, and this offer shall be deemed acceptable by the Contractor without the additional or different terms. If this purchase order is an acceptance of a prior offer by the Contractor, the acceptance is expressly conditioned upon Contractor's assent to any additional or different terms contained herein. The Contractor understands and agrees that the terms and conditions of this purchase order may not be waived.
