

FINISH AT UBALT.

THE UNIVERSITY OF BALTIMORE WILL HELP YOU FINISH WHAT YOU STARTED.

Take advantage of our decades of experience with transfer students, our expert faculty's real-world knowledge and our location in the heart of Baltimore. At UBalt, you'll find Knowledge That Works.

GET THE MOST OUT OF YOUR CREDITS

We've been recognized as a leader within the University System of Maryland in terms of the number of credits we accept and apply toward your degree.

Transfer a total of up to 90 credits from any combination of the following:

- up to **70 lower-division (100- and 200-level) credits** from community college and four-year institutions
- up to 20 upper-division (300- and 400-level) credits from a four-year institution
- up to 45 acceptable credits in any combination of Credit by Examination and/or nontraditional coursework.

The above is provided as a guideline for planning purposes. Actual credits are contingent upon official course evaluation.

See how your credits will transfer by visiting ubalt.edu/transfercredit.

REVERSE TRANSFER PROGRAM

Transfer to UBalt for your bachelor's degree and finish the requirements for an associate degree from your community college at the same time.

ACCELERATED OPTIONS

We can help you accomplish your goals faster with our accelerated bachelor's-to-master's degree programs. For a select number of programs, you can pay undergraduate tuition rates for up to 9 graduate credits that can be applied to both degrees, saving you time and money.

BEYOND THE CLASSROOM

Honors Program

Our Helen P. Denit Honors Program gives you an opportunity to enrich your education through enhanced honors courses. You might visit Washington, D.C., or New York City; conduct original research; or attend arts events. Honors students also have access to their own private lounge, kitchen and computer lab. For more information, visit ubalt.edu/honors.

Internships

Get a jump on your post-UBalt career by gaining professional experience through an internship. With major corporations, numerous local companies, large health care organizations and a wide variety of nonprofits, Baltimore is the perfect place to find a position in your field of interest. For more information, visit ubalt.edu/careercenter.

FUNDING YOUR EDUCATION

Work-Study

Students who demonstrate financial need can gain valuable work experience with a work-study position. Funds from your aid package will be set aside for you to earn as you work.

Transfer Merit Scholarships

We recognize high-achieving student performance by awarding generous merit-scholarships to qualified incoming transfer students at the time of admission.

Samuel G. Rose Scholars Award

This scholarship supports undergraduate students who need financial assistance—based on their FAFSA application—to complete their degrees. Award amounts range between \$400 to \$9,000 per year. The award is renewable for future years.

The Bob Parsons Scholarship Fund

This award, designed to support Pell Grant-eligible transfer and military/veteran students, pays the difference between your Pell Grant award and our in-state tuition and fees.

Baltimore City Scholars Program

This program provides Baltimore city government employees, and a select group of nongovernment Baltimore city employees, financial support to further their undergraduate education. Undergraduate applicants must have at least 60 college-level credits, a minimum cumulative GPA of 2.5, and enroll at least half-time in a degree-granting program.

Learn more at ubalt.edu/scholarships.

Classes are offered in flexible formats, including day, evening, weekend, online and hybrid options. Our B.S. in Simulation and Game Design program is offered both in Baltimore and at The Universities at Shady Grove (ubalt.edu/shadygrove).

READY TO APPLY?

1. Complete your application at ubalt.edu/apply.
2. Submit official transcripts from all schools you have previously attended.
