2021–2022 Asset Information Form

For 2021–2022 verification, students (and parents, if the student is a dependent) need to indicate the value of all assets as of the date the student completed the 2021–2022 FAFSA. Asset information was left blank on the FAFSA but is required because the student does not qualify for simplified needs analysis.

In order for the Office of Financial Aid to complete the verification process for 2021–2022, this form must be completed in full. Use zero to indicate that you do not have any dollar amount to report. **Blank or incomplete forms will not be processed**.

- DEPENDENT Student: Please refer to the "Verification Request for Additional Information" letter that was sent to you to determine if asset information is required for student, parent(s), or both.
- INDEPENDENT students who are married must include their spouse's assets in the student section.
