

Enrollment Verifications

Current law school students can obtain official enrollment certification through the National Student Clearinghouse by logging into their MyUBalt portal.

- <https://myubalt.ubalt.edu/>
- My Student Center
- On the left, under “Other Academic Information” click the drop down to select “Enrollment Verification”.

Outside of the standard fall and spring semesters, students requiring enrollment verification should contact us at lawregoffice@ubalt.edu for assistance.

Degree Verifications

Employers, background screening agencies, and other third parties seeking degree verification should visit the [National Student Clearinghouse Degree Verification Services](#). There is a fee for this service.

Alumni who need proof of a degree should order an official transcript.
