WORK EXPERIENCE

Member, AmeriCorps Vista	Baltimore, MD	07/2018-present
--------------------------	---------------	-----------------

Beat the Streets of Baltimore (BTS) 2018

- Ensure the stability and effectiveness of BTS – Baltimore by improving operational protocols and practices, including communications to the board of directors, as well as to the general community, through social media, newsletters, and the organizational website
- Strengthen and build relationships with key stakeholders in K-12 education, participants and their families, and supporters within the community
- Develop materials to train part-time staff and volunteers, and facilitate regular (monthly) training sessions
- Identify and seek grant-funding opportunities, and build relationships with partners in higher education and the community

Maintenance Technician, CBRE	Baltimore, MD	07/2016-05/2018
------------------------------	---------------	-----------------

- Performed assigned day-to-day repairs, emergency and preventive maintenance, and completed maintenance and repair records
- Assisted with troubleshooting and repairs of buildings and installed systems to include: plumbing systems, kitchen equipment, roofs, drains, shop, and HVAC
- Maintained lighting systems throughout the facility, cleaning fixtures, and replacing bulbs and lamps.
- Managed facility and property upkeep including: raking, sweeping, leaf blowing, and snow removal

Pet Trainer, Pets Mart	Catonsville, MD	05/2015-05/2017
------------------------	-----------------	-----------------

- Created, planned, and executed behavioral training classes for Labrador Retrievers, Australian Shepherds, and Boarder Terriers
- Taught dog owners the importance of behavioral training and provided manuals and strategies for at home use
- Increased population of pet training classes by 10% in six months by providing a hands-on approach for owners

INTERNSHIP

Grassroots Organizer, Clean Water Action	Baltimore, MD	09/2017-05/2018
--	---------------	-----------------

- Promoted action on progressive issues to influence national, state, and local decision makers
- Raised funds to support research, lobbying and educational campaigns
- Identified volunteers to participate in activities protecting the Chesapeake Bay and Potomac River and their shorelines, tributaries, and wetlands
- Reduced health-threatening contamination of air, water, food, and communities
- Promoted clean, renewable energy and combated climate change
