

Undergraduate and Graduate Commencement Checklist Spring 2019

Make sure your accounts are cleared – pay any outstanding bills through the Bursar, return books to the library, if transcripts are required from other school at which you took a class, make sure they get to the Office of Records and Registration.

Double check your address on the MyUB portal. Once final grades are posted, classes are reviewed, honors determined, accounts checked, etc., through the Office of Records and Registration, your degree will be ordered and sent directly to the local address as noted on MyUB. This process usually takes between six and eight weeks.

After the ceremony, extra programs are available. Please e-mail transitions@ubalt.edu to obtain a copy of the program.

You have access to the MyUB Portal for two semesters after your last date of enrollment. Network services access (e-mail, labs, Office365, etc.) is also maintained for two semesters after your last date of enrollment. Visit the [Student Account Expiration and Deletion policy](#) for more details.

Step 1. Complete Your Graduation Application

[How to Apply](#)
