

Academic Year 2022-23

GUIDE TO GRADUATION

BACHELOR OF ARTS: Psychology

UNIVERSITY OF
BALTIMORE

Yale Gordon College of
Arts and Sciences

ubalt.edu/psychology

The **Yale Gordon College of Arts and Sciences** is committed to providing the guidance and support you need to complete your program in a timely manner. This Guide to Graduation provides the in-depth information necessary to assist you in planning your undergraduate academic career. It contains contact information, important resources, a program checklist and a suggested four-year plan of study.

While this information will be helpful to you, you should also contact your academic adviser. Your adviser is there to assist you in planning your program plan of study and to answer your questions. All new students are required to meet with an adviser prior to registering for their first semester to receive a personalized program checklist.

The University of Baltimore recognizes that consistent and timely academic advising is strongly related to student success. To enhance the services we provide to our students and to increase the likeliness for success and on-time degree completion, UBalt implemented mandatory milestone advising for all new undergraduate students beginning in fall 2017.

Milestone advising will be anchored by three specific touch points and aligned with the personal, professional and academic goals of students at those points.

45 Credits: Advisers will work with students to further explore the declared major and connect students with support services, clubs and other campus groups to enhance the opportunity to be involved in the UBalt community.

60 Credits: Advisers will work with students to prepare for internships, Global Field Studies and other experiential learning opportunities. Students will also be re-introduced to the support services offered by the Career and Internship Center.

90 Credits: Advisers will focus on the final steps to graduation and the options for post-bachelor's degree completion. Students will learn more about the graduate degree programs at UBalt that fit with their goals.

Students must meet with their advisers to discuss their next steps for registration, course scheduling and other key academic topics before they register for classes. Advisers will release the milestone advising service indicator on students' accounts at the conclusion of the advising meetings.

Your academic adviser will assist you throughout your time at UBalt at any credit point; however, it is ultimately your responsibility to complete the degree requirements and acquaint yourself with the University's academic policies.

4-Year Plan for Incoming Freshmen: Psychology, B.A.

Below is an example plan of study for the Psychology program. This is meant to act as a guide, but need not be followed in the same order for every student. Part-time students and those students transferring in credits from another university or college will need to adjust their plan accordingly. This plan does not account for courses taken during summer sessions. Students should consult with their adviser each semester prior to registration.

Year 1			
1st Semester	2nd Semester		
WRIT 101	3	GE: Arts/Hum	3
MATH 115 (GE: MATH) or Developmental MATH or WRIT 100)	0-3	INFO 110	3
IDIS 101 (First-year Seminar and GE Elective)	3	CMAT 201 (GR: Oral Comm)	3
Learning Community Course (GE: Arts/Humanities or GE: Social Science)	3	PSYC 100 (GE: Social Science/GE: Arts/Humanities)	3
Learning Community Course (PSYC 100 GE: Social Science/GE: Arts/Humanities)	3	MATH 115 (GE: MATH) or General Elective	3
