

COLIN STARGER

University Baltimore School of Law
1420 North Charles Street
Baltimore, MD 21201
(410) 837-4468
cstarger@ubalt.edu

EDUCATION

- Columbia University School of Law**, New York, NY *Juris Doctor 2002*
James Kent Scholar, 2001-02; Harlan Fiske Stone Scholar, 1999-2001
Jane Marks Murphy Prize, 2002; Graduation Speaker for J.D. Class, 2002
Executive Editor, *Jailhouse Lawyers Manual (Columbia Human Rights Law Review)*, 2001-02
- University of California at Los Angeles**, Los Angeles, CA *Bachelor of Arts with Honors 1991*
Summa Cum Laude; Phi Beta Kappa
Carey McWilliams Award (Best Undergraduate History Honors Thesis)

LEADERSHIP

- University of Baltimore School of Law**, Baltimore MD August 2021– June 2025
Associate Dean for Academic Affairs
- Supervise team of ten staff members and direct all aspects of law school's academic operations, including curriculum planning, registration and enrollment, adjunct faculty, academic support, student affairs, bar success, journals and advocacy teams, and the second-semester legal writing program.

TEACHING EXPERIENCE

- University of Baltimore School of Law**, Baltimore, MD August 2010 – Present
Professor of Law
- Teach courses in Constitutional Law, Jurisprudence, Civil Procedure, Criminal Law, Coding for Lawyers, and Lawyering – including Legal Writing and Research.
 - Founder and Director of the [Legal Data and Design Clinic](#) (LDDC), a “digital advocacy” clinic where students apply technology and principles of data and design to solve real-world legal problems in the criminal justice domain. The LDDC launched in January 2020.
 - Founder and Director of the [Pretrial Justice Clinic](#) (PTJC), a live-client criminal defense clinic designed to combat mass incarceration through bail-related litigation and reform. Funded by an Abell foundation grant, the PTJC operated from Fall 2016 through Spring 2019.
 - Principal, [SCOTUS Mapping Project](#). Design and apply custom software to visualize complex lines of Supreme Court cases. Build and maintain online tool and map library. Project has been funded by two UB Provost Technology Grants and one UB Fund for Excellence Grant.
 - Associate Director for Legal Technologies, Center for Law of Intellectual Property and Technology

New York University School of Law, New York, NY

June 2007 – May 2010

Acting Assistant Professor of Lawyering

Taught full year course for 1Ls on fundamentals of legal analysis, practice, research and writing.

Cardozo School of Law, New York, NY

September 2003 – June 2007

Adjunct Professor

Designed and taught academic component of Innocence Project Clinic course. Focused on causes and relating to wrongful convictions. Supervised and instructed law students assigned to clinic.

CLERKSHIP

The Honorable Michael H. Dolinger, New York, NY

Fall 2002 - Fall 2003

United States District Court, Southern District of New York

- Law School Senator, University Faculty Senate, 2013-2017.
- Committee on Excellence in Teaching, 2013-present (Chair: 2017-2021).
- Faculty Research and Development, 2017-2021
- Student Life Committee, 2010-13.
- Curriculum Committee, 2013-14, 2019-2021.
- Supervise student notes, advanced legal research papers. Approximately 2-3 students each semester, fall 2011-present.
- Review Provost Technology Grants, fall 2012.
- UB law representative, Blue Ribbon Workgroup to study effects of *OPD v. State* on indigent defense in Maryland, fall 2010.

NON-ACADEMIC WORK EXPERIENCE

Innocence Project, Cardozo Law School, New York, NY September 2003 – June 2007
Staff Attorney and Adjunct Professor – Litigated DNA-based post-conviction innocence claims for prisoners in federal and state jurisdictions. Managed caseload of 50-60 clients. Coordinated and supervised law firm associates on Innocence Project amicus work. Lead counsel on five exonerations, including one death row exoneration from Oklahoma. Frequent public speaking and media appearances.

Center for Constitutional Rights (CCR), New York, NY Summer 2001
Legal Intern – Wrote and researched legal memoranda. Assisted lawyers in assessing potential new cases. Worked on cases involving police misconduct, prison conditions, environmental justice, and international human rights.

Cochran, Neufeld & Scheck, New York, NY Fall 2000 – Spring 2001
Legal Intern – Wrote and researched legal memoranda, discovery motions and complaints. Assisted in preparing for depositions. Firm work focused on police misconduct.

Committee on the Administration of Justice, Belfast, Northern Ireland Summer 2000
Legal Intern – At organization promoting human rights agenda in Northern Ireland peace process, analyzed parliamentary debate of Police Reform Bill and assisted in preparing CAJ amendments. Drafted CAJ response to the Criminal Justice Review.

Independent Contractor, Various Global Locations 1994 – 1999
Senior Software Engineer – Integrated, updated, and further developed *Infinity* derivative trading systems on site at commercial investment banks in Europe, Asia and North America. Responsible for design and implementation of database, library, and GUI systems. Clients included ABN Amro, CIBC, Schrodgers, and Credit Lyonnais.

- Best Istek**, Istanbul, Turkey 1992 - 1993
English Teacher – Taught English as a Foreign Language to corporate business executives, doctors and nurses. Also tutored high school and university students.
- Istanbul International Community School**, Istanbul, Turkey 1992 - 1993
Substitute Teacher – Taught mathematics in 7th to 9th grades.
- Infinity Financial Technology**, Mountain View, CA 1991 -1992
Software *Engineer* – 11th member of original team that created state-of-the-art derivatives trading system. Personal responsibilities included design, implementation and editing of C++ Object Library to interface with a Sybase relational database. *Infinity* became a publicly traded company with over 300 employees.

TECHNICAL PROFICIENCIES

- **Backend:** Python (including Pandas), PHP, R
- **Frontend:** JavaScript, HTML/CSS, Bootstrap, JQuery
- **Database:** SQL (especially mySQL)
- **Environments:** GitHub, WordPress, Google products and APIs, Word, Excel, etc
