I.2.5 HAZING

Approved: Fall 1991

Reviewed: October 2016

Hazing is prohibited at the University of Baltimore. When this policy is violated, the University may take action against all participants through its disciplinary procedures.

Hazing is defined as any action intentionally taken or situation created to produce mental or physical discomfort, embarrassment, ridicule, distress and/or cause mental or physical harm or injury to any person.

Participants' consent will not be a defense. Apathy or acquiescence in the presence of hazing is not a neutral act and is a violation.
